Information We Collect

We may collect the following information when you interact with this website:

- Name
- Email address
- Company name
- Information you send via contact forms or email
- Technical data such as IP address, browser type and device information

We only collect data necessary for communication and improving our services.

How We Use Information

We use personal data to respond to inquiries, communicate about our services, improve website performance and maintain website security. We do not sell or rent personal data to third parties.

Legal Basis for Processing

Under the GDPR we process personal data based on legitimate interest when responding to inquiries, consent where applicable and contractual necessity if cooperation begins.

Data Storage

Personal data is stored only as long as necessary for communication or legal obligations. Appropriate technical and organizational safeguards are applied to protect data.

Third Party Services

Our website may use third party services such as website hosting, analytics tools or embedded content. These services may process limited technical data necessary for their operation.

Your Rights

Under the GDPR you have the right to access your personal data, request correction, request deletion, object to processing and request restriction of processing. Requests can be sent to the contact email listed above.

Changes

This Privacy Policy may be updated when necessary. The latest version will always appear on this page.
